

Spring 2011 Black & White Pictures with St. John Photography

Things to Note:

- Each class is identified by their teacher or advisor (middle & upper schools)
- These are individual pictures only – no class pictures
- There will be at least two photographers, sometimes three working simultaneously
- Grades 5 & below will be photographed on the two playgrounds (lower & upper) --- please note which playground you are assigned
- Grades 6 & up will take pictures similar to what they did in the fall (casual)
- Students may dress up on their assigned picture day
- If there is a class being photographed on a playground that you use for recess, please try to keep your students out of the photographer's way
- It is imperative that we try to keep to the schedule so that we don't disrupt others! ☺
