

PARENTS... PLEASE READ!

St. John Photography will be visiting your school to take Black and White Candid photographs of your child on the playground!

In addition...

if you order online by the deadline on your proof envelope and spend at least \$25, you will receive a FREE 5x7 of your choice!

Frequently, candid shots produce excellent results in comparison to studio portraits. Individuals are having fun - doing what they normally do - so they appear natural and relaxed. Dress your child as you normally would, formal clothing may inhibit his or her activities.

If rain is forecast, please assume that any showers will be brief and pictures will be taken as usual. If the shoot is rescheduled, please bear with us - pictures taken outside are much nicer than ones in front of artificial backgrounds.

There are no upfront fees or obligations to purchase any of the prints. The week after the shoot, you will receive printed proofs as well as a **6-digit code** to view and purchase photos on our website.

St. John Photography has photographed children at many schools in the Charlotte area; and we know you will be pleased with the truly unique images we are able to capture. Please call St. John Photography directly with any questions you may have at 704-889-7800.
