## Guiding Youth Toward Making Healthy Choices

Guiding youth to make healthy choices continues to be one of the significant challenges for parents, schools and communities.

Join us Oct. 20 & 21 at **St. Matthew Catholic Church in Charlotte**, as we share the journey with you, providing hope, emotional wisdom and healthy life choice messages to young and old.

Cutting across cultural, gender, economic, religious and age boundaries, *Legacy of Hope*® is presented by Susie Vanderlip, a national speaker and writer on prevention, youth and family issues. She is the author of the award-winning book, *52 Ways to Protect Your Teen – Guiding Teens to Good Choices and Success*. She has reached over one million teens, parents, counselors, therapists and teachers across 47 states and Canada.

Through various characters that she plays, Vanderlip portrays a series of Individuals dealing with real life teen, young adult and family issues. Through her performance she is able to truly connect with the audience with a thoughtful message of resiliency and hope in the midst of life's ups and downs.
